

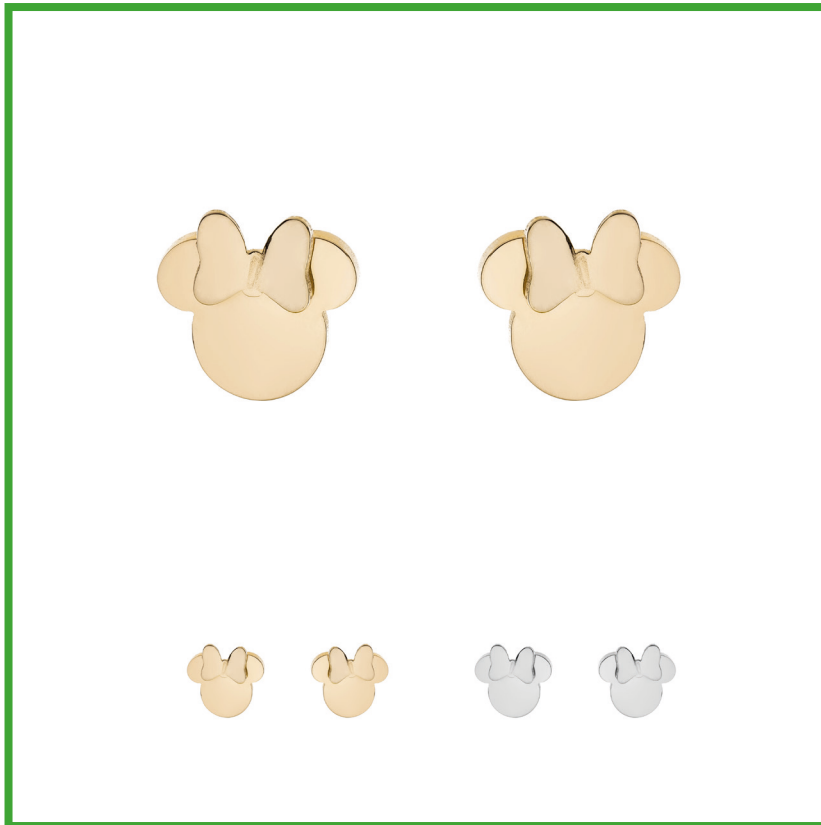

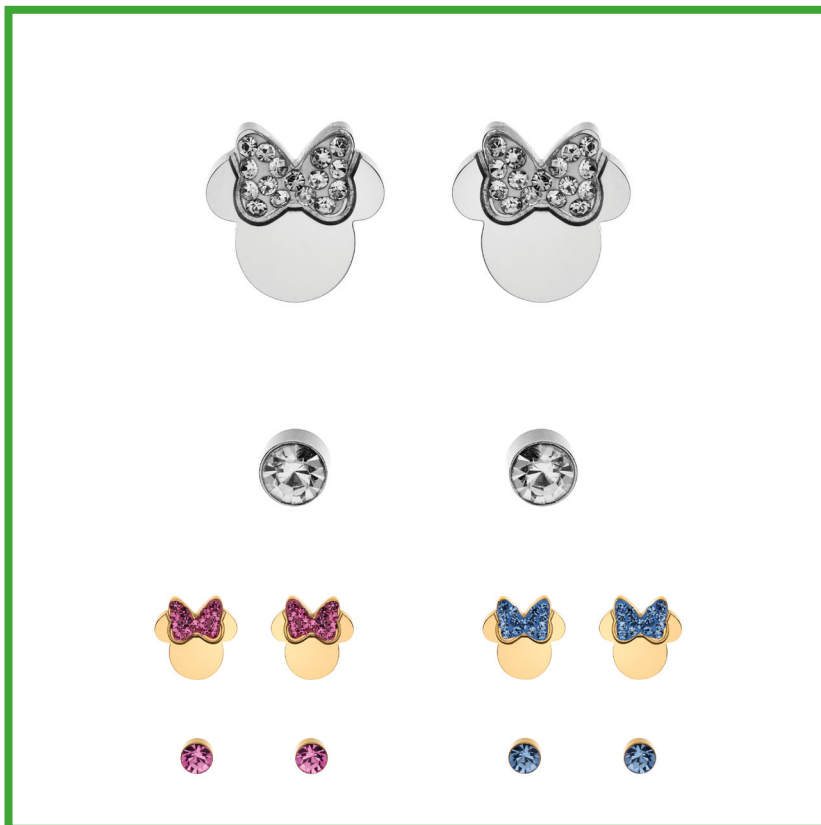

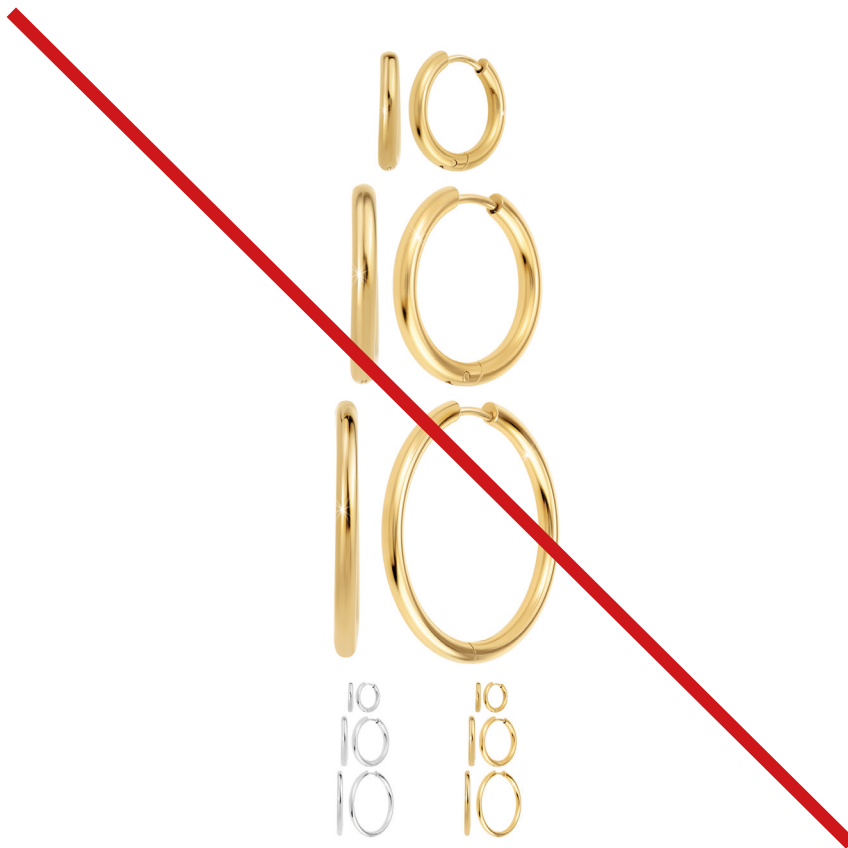

**GRAPHIC CHARTER
ACCORDING
TO DECLINATIONS**

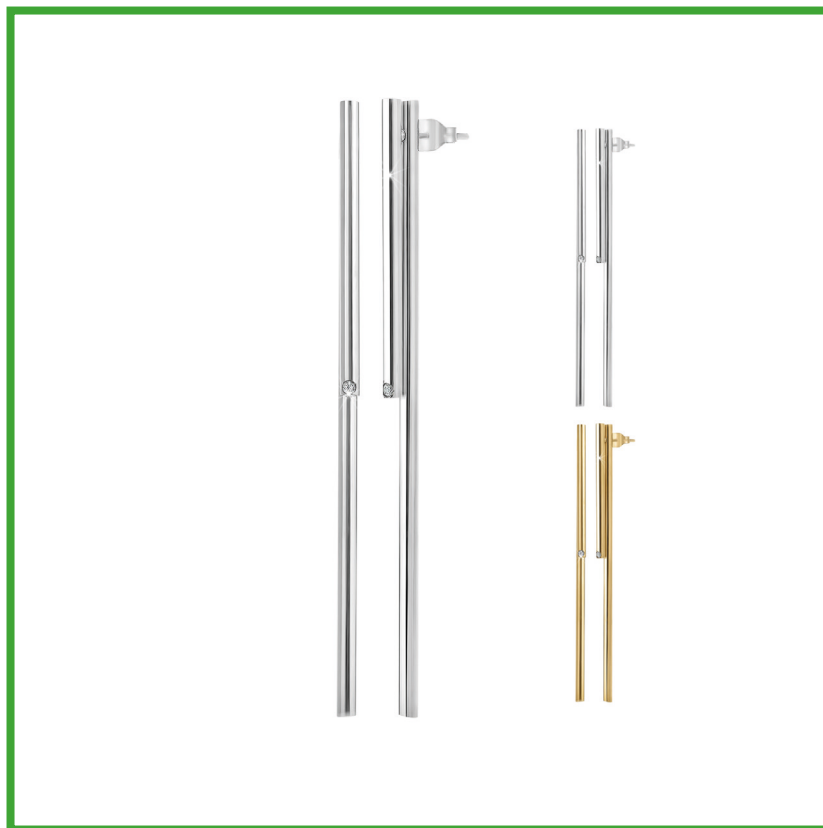

REDUCE THE BIG ONE TO HAVE DECLINATIONS ON THE BOTTOM AT 45% OF THE SIZE AND ALIGN THEM UNDERNEATH THE BIG ONE

WHEN THERE ARE TWO PAIRS TOGETHER REDUCE THEM TO 45% AS WELL

WE DON'T WANT THE DÉCLINATIONS UNDER EARRINGS WHEN THERE ARE MORE THAN THREE OR LONG ONES, SO DO AS SAID UNDERNEATH

WHEN IT'S MORE THAN A PAIR OR WHEN THE ITEMS ARE TOO LONG PLEASE ALIGN THE DÉCLINATIONS ITEMS ON THE RIGHT SIDE, ONE ABOVE THE OTHER AND REDUCE IT TO 40%. CENTER THE COMPLETE COMPOSITION AGAIN.

WHEN THERE ARE MORE THAN 3 COLOURS DON'T REPEAT THE ONE THAT IS BIG IN THE DECLINATIONS

DO AS WHAT'S ABOVE

WHEN IT COMES TO NECKLACES, REDUCE THE SMALLEST ITEM 30% OF THE BIG ONE TO ALIGN IT WITH ITS DECLINATIONS UNDERNEATH THE MAIN ITEM

WHEN IT COMES TO NECKLACES WITH LONG PENDENT, REDUCE THE SMALLER ITEM 25% OF THE BIG ONE TO ALIGN IT WITH ITS DECLINATIONS UNDERNEATH THE MAIN ITEM
